

From the city take the North Western Motorway heading West.

Take the No 8 Exit, and head up Great North Road.(which becomes Ash St, which becomes Titirangi Rd !).

Stay on the main road, through 11 sets of traffic light (this brings you half way up Titirangi Rd).

Before the Village turn left into Park Rd (yellow AA signs saying St Francis Church and Colin Mc Cahon Cottage)... then first left down Otitori Bay Rd (more yellow AA signs Colin McCahon Cottage, French Bay).

Wind all the way down this road heading towards the water, and you'll come to a two way fork on the left. signed Wood Bay Rd and Opu Rd (bustop on the corner of Opu Rd)

We are 38 Opu Rd, the third to last home on the left. There is parking on the road..
